MEMORANDUM FOR: Executive Director, NPIC

THROUGH : Chief, Support Staff, NPIC

SUBJECT : Request for TOP SECRET and Codeword Security Clearances

1. It is requested that [ ] be granted TOP SECRET and T. EE, and SI clearances. They are both employees of [ ] which is the principal contractor for NPIC's Imagery Exploitation Program. [ ] a research physicist, is the task leader for task # 9, "Raw Signal Analysis", and [ ] is heading the "Intelligence Value" study program, Task # 5.

2. The [ ] Imagery Exploitation Program is a long-range, complex program which, ultimately, will involve many people and include many individual projects. Work under the current contract specifies that [ ] will make preliminary designs of exploitation systems and equipment. These designs must be realistic in terms of NPIC requirements, and the ultimate equipment must be compatible with NPIC operations. Therefore it is essential that [ ] and Mr. [ ] be granted the above listed clearances so that they may become intimately knowledgeable of NPIC requirements, materials, and the methods of exploitation currently in use at NPIC and those planned for the future.
